

# 4Ws There's No Denying It | Acts 2:14-47

Dgroup's Curriculum: Leader's Copy

## WORSHIP

Consider reading **Psalm 138** together, taking turns reading a verse a time, or reading responsively with the leader reading a verse and the group responding with the next verse

Consider singing some of the songs on the sheets that were included in your packet if you have someone in the group that plays the guitar or can lead music and/or play the guitar.

## WELCOME

### Questions.

Have you ever had an 'Aha' Moment, a point in time when something you had not figured out before suddenly became clear? Can you share that with the group? What difference did it make to you and for you when you finally figured things out?

## WORD

### Discussion Questions.

1. Who receives the Holy Spirit and how do we know they have received the Spirit?
2. How does God use evil in relation to his purposes?
3. What are the core basic necessary activities of a community of believers?

# WORK

Remind them that we've just been talking about how the first followers of Jesus went everywhere telling everyone about Jesus. This serves as an example for us and we could be part of sharing Christ with others and being a witness just like the first followers were. Help them to understand that this could easily begin by inviting the people around them to come to Life Group with you. Ask them to discuss this and then suggest that you start a list as a group of people you will begin praying for each week. We will pray for these people tonight and each night we're together until they come to Life Group, or come to Christ through some other means. Have each couple/individual share the name of one couple/person to pray for and then ask one of the other people in the group to pray for them.

*Close your time together in prayer.*
