

4Ws What Happens When The Apostles Act Up

Acts 1: 1-11

Dgroup's Curriculum: Leader's Copy

WORSHIP

Consider reading **Psalm 44** together, taking turns reading a verse at a time, or reading responsively with the leader reading a verse and the group responding with the next verse. You can discuss the Psalms you read and share what they mean to you.

Consider singing some of the songs on the sheets that were included in your packet if you have someone in the group that plays the guitar or can lead music and/or play the guitar.

Questions.

WORD

Discussion Questions.

1. During the message this morning we said that there are some similarities between the book of Genesis and the book of Acts. What were some of those similarities?
2. According to the message, what is the difference between the 'Finished Work of Christ' and 'the things that Jesus began to do and teach today'? Why is this distinction
3. Who is the light of the world? Why are there two possible different correct answers to this question? What does knowing this mean for us in our lives today?
4. In the message we made the point that the disciples asked Jesus to teach a prophecy conference and Jesus politely refused. Why did he refuse and what did Jesus tell them about instead of telling them about things to come?
5. In the message we said that being a witness of Jesus was not an optional program. Why did we say that and what does it mean for us today?
