

4Ws **There Is None So Blind As He Who Will Not See** Acts 13:4-12

WORSHIP

Consider reading **Psalm 28** together, taking turns reading a verse a time, or reading responsively with the leader reading a verse and the group responding with the next verse.

Consider singing some of the songs on the sheets that were included in your packet if you have someone in the group that plays the guitar or can lead music and/or play the guitar.

WORK

The enemy is always trying to resist the truth and prevent it from being told. The enemy is always taking his stand against the Kingdom of God and doing all that he can to keep the Kingdom from spreading. The primary way that he does this is by resisting the truth, and one key way that he resists the truth is by talking God's people out of sharing the Good News about Jesus. We need to recognize that he is doing this and be aware of our need to take a stand against him by telling the Good News about Jesus to everyone who needs to hear it. We need to stop wondering whether it's convenient or safe to talk about Jesus and simply take our stand on the truth as we share the Good News about Jesus with others. This week would be a good week to do that, so let's get started.

Ask them to discuss this and then ask them to think through the list of people you have been praying for each week. Discuss how we can be more aggressively involved in sharing the good news with these folks for whom God has burdened us. We will pray for these people tonight and each night we're together until they come to DGroup or come to Christ through some other means. Have each couple/individual share the name of one couple/person to pray for and then ask one of the other people in the group to pray for them.

Close your time together in prayer.
